My name is Ashley Thacker, and I am a CERTIFIED FINANCIAL PLANNER™ professional. My goal is to help you reach your financial objectives by creating an investment allocation strategy customized to fit your specific risk tolerance and time horizon.

I hold a Bachelor of Business Administration in financial services and planning from Baylor University and began serving GuideStone® in 2016.

My husband, Austin, and I were married in June of 2019. We enjoy serving at our local church and enjoy outdoor activities such as hiking and rock climbing. I am also passionate about missions, having served on several short-term mission trips to the Amazon.

I know GuideStone clients work hard to honor the Lord with their resources and help those in need. My goal is to help you make money management decisions that allow you to continue faithfully serving and stewarding what God has given you and plan for your financial future.

So how can I serve you? Please reach out to me at the contact information listed above. I look forward to working with you.
