My name is **Jeff Weathers**, and I am a CERTIFIED FINANCIAL PLANNER™ professional with GuideStone®. At GuideStone, we know how important it is to keep your goals in mind and work together to develop a plan of action designed to take you through retirement. I have gained extensive experience working with ministers, executive leaders and other professionals since joining GuideStone in 2012. My goal is to help you create a customized financial plan to help you reach your financial goals.

I attended the University of Oklahoma and have a Bachelor of Business Administration with a focus in finance. Before joining GuideStone, my family and I served overseas with a missions organization in East Asia. My wife, Heather, and I have two daughters, and we enjoy outdoor activities, family movie nights and travel.

I understand the unique challenges that ministers and those serving overseas experience, and I want to help you make wise stewardship decisions as you continue to serve in your role faithfully. We want to honor the Lord with your finances in the same way you honor Him with your time.

So how can I serve you? Please reach out to me at the contact information listed above. I look forward to working with you soon.
